#### Remarks

Welcome to one of Wellesley's prettiest and most desirable streets where you'll find this stylishly remodeled main house with stunning separate guest cottage. In the main house the gorgeous new open-concept chef's kitchen features white cabinetry, Viking range and Subzero and opens to the cathedral ceiling fireplaced family room. The living room with a fireplace and picture window frames the view of the back yard gardens. Upstairs are four great sized bedrooms including the primary suite with beautifully remodeled bath. The separate cottage features a stunning cathedral ceiling great room with kitchen area, three more rooms for offices, guests and gym, central air, and bath with shower! Beautifully landscaped yard with play area and plenty of space to play ball. Between the updated main house and the impossible to find separate updated cottage, this is a rare opportunity in this top Cliff
